Change to the Schedule of the 2018Q2 EIBI Reconstitution

New York, NY, Friday, June 8, 2018 — Due to the closure of the Indonesia Stock Exchange (IDX) from Monday, 11 June 2018 through Tuesday, 19 June 2018, the reconstitution schedule of the S-Network Emerging Infrastructure Builders IndexSM (TICKER: EIBI) will be modified with respect to Indonesian stocks. Any index additions, deletions and share changes affecting Indonesian stocks will be delayed until Thursday, 21 June 2018, while all other index additions, deletions and share changes will be reflected as normally scheduled (effective Monday, 18 June 2018).

A complete list of constituents and weights will be posted on the S-Network Emerging Infrastructure Builders IndexSM website (infra.snetglobalindexes.com), as of the effective date.

The S-Network Emerging Infrastructure Builders IndexSM is a capitalization-weighted, float-adjusted index of the most prominent infrastructure stocks from developing and middle-income countries, plus a limited number of developed market stocks with extensive emerging markets operations. To be included in the EIBI index, stocks must pass multiple screens, including for capitalization, float, exchange listing, share price and turnover

Detailed information, including constituent data, rules and price information on the S-Network Emerging Infrastructure Builders IndexSM is available at infra.snetglobalindexes.com. Data is also available through most vendors of financial data.
